Greetings! It's time to start registering for the 2022-2023 school year. Registration will be a simple 2-step process:

Step 1: Return this registration form along with the registration fee to reserve your student's spot for next year. We will also need to view your student's birth certificate **if this is the first time you are registering with us**. If you choose to use Diamond Mind for your registration fee payment, please include your transaction number below.

Step 2: A link will then be sent to your email address. Follow the link to our online enrollment form and complete the information requested to finalize your child's enrollment.
