Greetings! It's time to start registering for our Summer 2019 Programs. Our summer registration uses the same simple 2-step process that we are using for our next school year:

Step 1: Please complete this preregistration form and return it with your summer registration fee. We will need to see your child's birth certificate if your child is registering for the first time. If you choose to use Diamond Mind for your registration fee payment please include your transaction number below.

Step 2: A link will then be sent to your email address (please ensure your email address is correct). Follow the link to our online registration portal, InfoSnap and submit the form to complete your child's enrollment for this summer.

Please call your director if you have any questions. We are always happy to help!
