

# April

2024

## Director's Desk

Spring has surely sprung at Bellamy! As we move into the new season, we'll be very busy with many colorful planned spring activities. This upcoming month is filled with egg hunts, spring programs and we look forward to getting our spring garden planted. Spring break is just around the corner from April 1-5. We wish all our families and teachers a wonderful spring break with friends and family. We look forward to kicking off our new units in each class when we return from break!

*Best, Kristine*

## What we are learning

**2's** – This month the two-year-olds will explore the many adventures of Pete the Cat. There are many great activities and stories to be shared this month from this fun author.

**3's** -The three-year-old teachers will introduce their classes to life on a farm! The focus during this fun unit will be all the many animals on a farm. The children will also be shown all of the different environments for different farm animals.

**4's** -The four-year-olds will discover a fantasy world in the castles, dragons and unicorns unit. The unit will be concluded with a royal ball fit for any king or queen.

**PreK** -The PrK class will become environmentally aware as they focus their attention on birds of prey. Some of the many things they will learn are why a hawk has a hooked beak and where osprey live and what they eat. This unit is always so much fun!

**K** – Kindergarten will study all the rhyming stories of Dr. Seuss. The class will learn all the silly rhymes and fun stories like Cat and the Hat, Green Eggs and Ham and the Lorax just to name a few. Math, crafts and classroom activities will all focus on Dr. Seuss themes. It all ends with a “Breakfast at Bellamy” featuring green eggs and ham of course. All of this while so much learning will be taking place!

Class Picture Proofs will be available in the lobby in April!

Individual photo proofs will be sent home for ordering!

All orders placed help us reach our school-wide fundraising goal.

Thank you for all your fundraising support this year!
