

# May

2024

## Director's Desk

It's hard to believe the school year is drawing to a close! May will surely prove to be busy with classes finishing up their full last month of school studying spring and Dr. Seuss. Many activities the classes are planning to do will signal the onset of summer. As a reminder, please make sure we have a permission slip on file if you would like for us to apply a school-supplied sunblock on your child. Thank you for all your continued support throughout the school year!

*Best, Kristine*

## Happenings!

- Please make sure you have a seasonally appropriate change of clothes in your child's backpack.
- **Congratulations**, again to Ms. Patrice's class! Their class raised the most money from our Charleston Fundraiser. They celebrated with an ice cream party with *all* the fun toppings!
- BMS TAX ID #87-3758384
- Summer afternoon employment opportunities available

## Save the Date

April 29 & 30 – Spring Programs

May 21 – Conferences

(Open for full day students only)

May 27 – School Closed – Memorial Day

June 7 – Kindergarten Graduation

June 14 – Last day of school!

## Spring Programs

**April 29, 2024 | 10:00am**

Ms. Kristina

Ms. Niki

Ms. Ashley

Ms. Sandra

**April 30, 2024 | 10:00am**

Ms. Sara

Ms. Anna

Ms. Patrice

Ms. Hobbs

## What we are learning

**2's** – Ms. Ariella and Ms. Yanira's classes continue to help our youngest children with the exciting process of learning spending time learning their shapes.

**3's** – The three-year-old classes will learn all about spring! They will investigate bugs and the season of spring through a lot of hands-on activities and outside time!

**4's** – The four-year-old classes will study Dr. Seuss and all his zany characters. The Cat and Hat and all his friends-Thigwick, Bartholomew, Horton and Yertle the Turtle become our vehicles of learning.

**PreK** – In April, our PRK classes learned all about Birds of Prey. They will now focus on tropical Rainforests. They become aware of the unique ecosystem as well as an expert on bugs, snakes, and other habitats.

**K** – Kindergarten has an exciting month! Mrs. Hobbs class will be learning about the stages of plant development, butterfly development, and frog development through hands-on learning. Academically, many are learning long vowel sounds and spelling. As spring progresses, we plan to incorporate creative writing weekly.

Class picture proofs are available in the lobby! Please make sure you put your child's name and circle the photo option you would like on your order form – Cash or check only!

All orders placed help us reach our school-wide fundraising

## Sunscreen

Sunscreen will be applied at 3:00pm for our full day students. Sunscreen Permission slips must be completed for our staff to apply the school provided sunscreen. If you would like to provide your own, please see Kristine or Jada for an alternative sunscreen form.
