Director's Desk

As the end of the school year hurtles towards us, I would like to reminisce a bit, for it truly has been a wonderful year. School spirit and parental support have been tremendous. We've had several successful fundraisers that have enabled us to purchase new toys and other equipment for the classrooms. Looking back over the past nine months I see achievement and growth in the children, in the school and in the Beach Manor staff. We owe it all to you and your unflagging, cheerful support. Thanks for sharing your child with us and providing us the opportunity to teach and the enjoyment of watching them mature.

Sincerely, Leigh

What we are learning

Our Mother's Day Out children finish the year learning about Spring and the Beach while the threes and PreK classes will study Dr. Seuss and his zany characters. The Cat in the Hat and all his friends Thigwick, Bartholomew Cubbins, Horton and Yertle become our vehicles for learning. Rhymes, math, crafts, and songs all focus on the Seuss themes during these last days. It all ends with the notorious Breakfast at Beach Manor featuring Green Eggs and Ham (of course)! The children have a grand time with all of this while an incredible amount of learning takes place. The Four-year-old classes will be introduced to the accomplished children's writer and animator Mo Willems. The humor in his books will capture imaginations and the cartoon illustrations are delightful for little eyes.

Kindergarten classes will focus on the history of Virginia and will continue with creative writing and independent work. Graduation will be held on Friday, June 7th at 9:30am. Bring your camera and tissues. This is a nostalgic moment for many of us!! They spend their last few weeks together preparing for first grade.
