Director's Desk

As the end of the school year hurtles towards us, I would like to reminisce a bit, for it truly has been a wonderful year! The school spirit and parental support have been absolutely tremendous. Thank you, one and all! We've had several successful fundraisers that enabled us to upgrade our classroom and playground equipment! Looking back over the past nine months, I see achievement and growth in the children, the school and the GMS staff. We owe it all to you and your unwavering, cheerful support. Thanks for sharing your children with us and providing us the opportunity to teach them and watch them mature.

Sincerely, Jackie

Thank You

for a wonderful year!

What we are learning

2's- Our Twos finish the year learning about summer. Their verbal skills shine as we talk about beach trips, jellyfish and watermelon. Their fine-motor skills continue to improve as we make a colorful sun catcher and a special Father's Day craft.

3's & PreK- Our Threes and Pre-K will begin learning about Cat in the Hat and all his friends. Thigwick, Bartholomew Cubbins, Horton, and Yertle become our vehicles for learning. It all ends with the notorious Breakfast at Greenbrier featuring Green Eggs and Ham (of course)! The children have a grand time with all of this while an incredible amount of learning takes place.

4's The Four-year-old classes will be introduced to the accomplished children's writer and animator Mo Willems. The humor in his books will capture imaginations and the cartoon illustrations are delightful for little eyes.

K- As our Kindergarteners prepare for their final ceremony, they review all they have learned from the unit studies this year. They will be illustrating and writing about their favorite unit. Ms. Tracy's class will graduate on Thursday, June 6th @ 9:15 Bring your camera and tissues. This is a nostalgic moment for many of us!
