

The Manor Schools **Summer 2024 Registration**

The Manor Schools are now accepting summer enrollments! Our summer programs are designed for preschool and elementary age children. The morning routine consists of play, crafts, individualized academics, recess, snack, and group activities. Don't forget SPLASH DAY once a week. Elementary age children (rising first grade or older) enrolled in the all-day program may participate in field trips! We offer a variety of summer schedules so please see below to find what's best for your family.

Summer Program: June 24 – August 16

The summer program starts with a focus on the beach, shells, fish and water play. If there is one thing we do well, its beach play. Shells, crafts, fish prints, sand casting, and a beach party highlight this unit. Next, we will take a Caribbean cruise and learn all about pirates. They may have terrorized our forefathers, but today they give a thrill to our lives with special stories and projects! Undersea studies and treasure hunts share our attention with island fun.
