

Bellamy Manor School  
**SUMMER**  
 2024

Director's Desk

Happy Summer and welcome to a fun-filled summer at Bellamy Manor! Our summer of continued learning will continue with water play, a lot outside time and many craft projects focusing on our summer themes of beach and pirates! We're ready and excited to present a variety of engaging activities all summer long. We look forward to spending the summer with all your sweet little ones!

Best,

*Kristine*

## What we are learning

All classes will start off their summer learning all about the beach, shells and fish through hands-on activities, water play and beach related stories. Next, they will take a Caribbean cruise and learn all about pirates with special stories and projects. All this fun will be paralleled with continued academic learning, reading, and workbooks for some. Elementary students will have daily journal writing in their days as well. We're excited to get the summer started!

## Best of Hampton Roads

Bellamy Manor School has been nominated for the second year in a row for the "Best of" Hampton Roads in three separate categories. If you would like to vote, please go to <https://www.virginiamedia.com/bestof/>. You will be able to vote for us for Best Child Development Center, daycare, and private school! Thank you in advance for your continued support. Our families are what makes us the best!

### Sunscreen

If your child is a full-day student, with your permission, sunscreen will be applied at 3:00pm. The permission slip will come home on the first day of camp. Please fill it out and return with your student the next day.

If you would like to supply your own brand of sunscreen, please go to <https://manorschools.com/forms/> and click on 'medication authorization'. Complete that form and send in the desired sunscreen.

You can also use that same form for bug spray!

### 2024 - 2025

If you haven't signed up for the fall, please send in your registration forms as soon as possible. Several classes are full and others are close to capacity.
